PRODUCT

- We offer our clients the ability to compare RV rentals offered by all our partners. There is no cap on how many partners we can have, as long as they agree to our way of doing things. By offering campers a great service, we have contracted partners in more than 45 countries.
- We offer our clients a wide selection of vehicles from 4x4 Safari jeeps to A Class luxury RVs.
- No matter who our clients end up booking from, we provide them the insurance package they need and process their transactions on our platform.
- The clients submit their requests to book to the service providers by means of an inquiry on our platform and receive a response within the next 48 hours.
- We are the biggest Global RV rental directory and booking platform, period.
- Campanda offers a unique way for people to pick where in the world they want to camp and how much the different options will cost them.
- Customers who find better offers after they book get paid back the difference.
- Our customers get special deals and sales on pre-booked hard set offers: Last Minute Deals!
- Our support and customer service teams communicate and solve problems in more than 10 languages to help campers have a better experience in all countries we are operational in.
